9.1 Tax Residence – Individual/Sole Trader

HELP

Tell me about tax residence

You can be a resident of more than one country for tax purposes. Whether you are tax resident of a particular country for tax purposes is often based on the amount of time you spend in a country and the location of your residence and/or place of work. If you pay tax or have a tax liability somewhere, you are probably a tax resident there. Dual citizenship often brings dual tax residency. It depends on the country. For the US, tax residency can be as a result of citizenship or residency for tax purposes.

If you're unsure, ask someone who knows, usually your accountant.
